Upon payment or satisfaction in full of the DIP New Money Claims and DIP ABL Claims (except the Excluded DIP Obligations) in accordance with the terms of this Plan, on the Effective Date all liens and security interests granted to secure such obligations shall be terminated and of no further force or effect. The Excluded DIP Obligations shall survive the Effective Date and shall not be discharged or released pursuant to the Plan or Confirmation Order, notwithstanding any provision hereof (including, without limitation, Sections 11.4, 11.5 and 11.8(b)) or thereof to the contrary.

Section 2.2 Priority Tax Claims. Except to the extent that a holder of an Allowed Priority Tax Claim agrees to less favorable treatment, each holder of an Allowed Priority Tax Claim shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, at the sole option of the Debtor primarily obligated for the payment of such Allowed Priority Tax Claim, from such Debtor (i) on the Effective Date, an amount in Cash equal to the Allowed amount of such Claim, or (ii) on the Effective Date and each year on the Effective Date Anniversary, or on any earlier date at the sole option of the applicable Debtor, equal annual Cash payments, in an aggregate amount equal to such Allowed Priority Tax Claim, together with a rate of interest determined under applicable nonbankruptcy law pursuant to section 511 of the Bankruptcy Code or such other amount as determined by the Bankruptcy Court in the Confirmation Order, over a period not exceeding five (5) years after the later of (a) the Commencement Date and (b) the date of assessment of such Allowed Priority Tax Claim; *provided, however,* that no holder of an Allowed Priority Tax Claim shall be entitled to any payments on account of any pre-Effective Date interest or penalty accrued on or after the Commencement Date with respect to or in connection with such Allowed Priority Tax Claim. In addition, on the Effective Date, the 3% exit fee under the DIP Term Loan Agreement shall be paid to the DIP Roll Up Lenders.

Section 4.8 Class 7-B – General Unsecured Claims Against Non-Obligor Debtors

(a) Impairment and Voting. Class 7-B is 14 separate Classes, each a Class of General Unsecured Claims against a specific Non-Obligor Debtor. As set forth on Exhibit G herein,

¹ Holders of General Unsecured Claims against MCI, MSC, MPI, Millennium America, Inc. and MPCO, other than Senior Secured Lenders and Bridge Lenders, will also be entitled to share in recoveries as holders in Class 7-A.

depending on the applicable Non-Obligor Debtor, holders of Claims in each of these Classes shall recover either 100% of their Claims or 0% of their Claims, as the case may be. Holders of Allowed General Unsecured Claims that shall recover 100% of their Claims shall be deemed to accept the Plan. Holders of Allowed General Unsecured Claims that shall recover 0% of their Claims shall be deemed to reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, each holder of an Allowed General Unsecured Claim against a Non-Obligor Debtor shall receive on the Effective Date, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, its Pro Rata Share of Cash totaling the net value of its applicable Debtor after allocation of Allowed Administrative Expenses, Other Secured Claims, Priority Tax Claims and Priority Non-Tax Claims against the applicable Non-Obligor Debtor. See Exhibit G herein for the estimated recovery percentages for each Non-Obligor Debtor, estimated General Unsecured Claims against each Non-Obligor Debtor, and the estimated value attributable to each Non-Obligor Debtor.

Section 4.9 Class 7-C – General Unsecured Claims Against Schedule III Debtors

(a) Impairment and Voting. Class 7-C is impaired by the Plan. Each holder of a General Unsecured Claim against a Schedule III Debtor is entitled to vote to accept or reject the Plan.

(b) Distributions. Except to the extent that the holder agrees to less favorable treatment, each holder of an Allowed General Unsecured Claim against MCI shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, beneficial trust interests in the Millennium Custodial Trust, which shall entitle such holder to its Pro Rata Share of recoveries with respect to the assets of the Millennium Custodial Trust, including any recovery by MCI as a result of its direct or indirect ownership interest in its direct and indirect subsidiaries. Each holder of an Allowed General Unsecured Claim against an MCI Subsidiary shall receive, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, a contractual right under the Plan from the applicable MCI Subsidiary entitling the holder to a potential payment up to the amount of such holder's Allowed Claims against the MCI Subsidiary on the Effective Date; *provided, however,* that to the extent holders of Claims in Class 5 are granted a Claim in Class 7-C by virtue of Section 4.5(b)(i), the total aggregate recovery available to each holder on account of such Class 7-C Claim shall be its Pro Rata Share of 1,409,755 Class A Shares (which is the equivalent of 0.25% of the Class A and Class B Shares), subject to dilution on account of the Employee Compensation Plan and New Warrants (the “Maximum Recovery”). To the extent any contractual right described in the preceding sentence receives a distribution, for every \$1 of value (which may be in the currency of Class A Shares) distributed to the aggregate amount of Claims held by the Senior Secured Lenders and the Bridge Lenders in this Class 7-C, the Senior Secured Lenders shall receive 95% of such value and the Bridge Lenders shall receive 5% of such value until the Bridge Lenders receive their Maximum Recovery, after which the Senior Secured Lenders shall receive 100% of every such \$1 of value. To the extent that holders of Claims in Class 5 that have been granted a Claim in Class 7-C by virtue of Section 4.5(b)(i) do not receive their Maximum Recovery prior to the first Effective Date Anniversary, such holders shall receive 100% of every \$1 of value distributed to the combined Claims as described in the previous sentence until they receive their Maximum Recovery after which the Senior Secured Lenders shall receive 100% of every such \$1 of value. See Exhibit H herein for the estimated recovery percentages for each Schedule III Debtor, estimated General Unsecured Claims against each Schedule III Debtor, and the estimated value

attributable to each Schedule III Debtor.² Holders of General Unsecured Claims against MCI, MSC, MPI, Millennium America, Inc. and MPCO, other than Senior Secured Lenders and Bridge Lenders, shall also be entitled to share in recoveries as holders of Claims in Class 7-A.

Section 4.10 Class 8 – 2015 Notes Claims

(a) Impairment and Voting. Class 8 is impaired by the Plan. Each holder of a 2015 Notes Claim is entitled to vote to accept or reject the Plan.

(b) Distributions. If Class 8 votes to accept the Plan, and subject to dismissal with prejudice of the 2015 Note Adversary Proceeding, the Debtors, as assignees as of the Effective Date of the rights and remedies of the Senior Secured Lenders and Bridge Lenders under the Intercreditor Agreement, shall waive the contractual subordination and turnover provisions of the Intercreditor Agreement so that the holders of Allowed 2015 Notes Claims shall receive on the Effective Date, in full and complete satisfaction, settlement and release of and in exchange for such Allowed Claim, their Pro Rata Share as holders of Class 7-A Claims.³ In addition, such vote shall be deemed a direction to the 2015 Notes Trustee to dismiss with prejudice the 2015 Adversary Proceeding. If Class 8 rejects the Plan, or the 2015 Note Adversary Proceeding shall not be dismissed with prejudice, holders of Allowed 2015 Notes Claims shall not receive any distribution under the Plan by reason of enforcement by the Debtors of the subordination and turnover provisions of the Intercreditor Agreement and the recovery of the holders of 2015 Notes Claims as holders of Claims in Class 7-A shall be deemed turned over to the Reorganized Debtors.

Regardless of whether Class 8 votes to accept or reject the Plan, on the Effective Date, (i) the rights and claims of holders of 2015 Note Claims against Obligor Non-Debtors shall be extinguished pursuant to Section 5.4 of the Plan and the Enforcement Action in accordance with the terms of the Intercreditor Agreement and the 2015 Notes Indenture, (ii) the holders thereof shall, subject to the first paragraph of this Section 4.10(b), be entitled to no recovery against Obligor Debtors or Obligor Non-Debtors by reason of the turnover provisions of the Intercreditor Agreement, and (iii) the holders thereof shall be enjoined from taking any action against any Debtor or Non-Debtor Affiliate on account of any 2015 Notes Claim.

Section 4.11 Class 9 – Securities Claims

(a) Impairment and Voting. Class 9 is impaired by the Plan. Each holder of a Securities Claim is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Holders of Securities Claims shall not receive or retain any interest or property under the Plan on account of such Claims.

² Although certain of the Schedule III Debtors have Allowed Administrative Expenses (including professional fees), Other Secured Claims, Priority Tax Claims and Priority Non-Tax Claims allocable to such Schedule III Debtor, such Claims shall be paid or otherwise afforded the treatment set forth above by the non-Schedule III Debtors as part of the consideration for the releases that the Schedule III Debtors are granting to the non-Schedule III Debtors pursuant to the Plan.

³ In the event that holders of 2015 Notes Claims receive Litigation Trust Interests and the Debtors exercise their turnover rights, such Litigation Trust Interests will be extinguished rather than held by the Debtors.

Section 4.12 Class 10 – Subordinated Claims

(a) Impairment and Voting. Class 10 is impaired by the Plan. Each holder of a Subordinated Claim is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

Section 4.13 Class 11 – Equity Interests in LBFC

(a) Impairment and Voting. Class 11 is impaired by the Plan. Each holder of an Equity Interest in LBFC is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Equity Interests in LBFC shall be cancelled on the Effective Date. No distribution of any kind shall be made on account of Equity Interests in LBFC.

Section 4.14 Class 12 – Equity Interests in LBAFGP and LBIAF

(a) Impairment and Voting. Class 12 is impaired by the Plan. Each holder of an Equity Interest in LBAFGP and LBIAF is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. As a result of the restructuring transactions, LBIAF's interests in its indirect subsidiaries shall be terminated in recognition of the fact that there is no net equity value to LBIAF in any of those interests. Accordingly, because LBAFGP and LBIAF (and LBIAF's sole direct subsidiary, Basell Funding S.à r.l.) have no value, and no distribution of any kind shall be made on account of Equity Interests in either LBAFGP or LBIAF. LBAFGP, LBIAF and Basell Funding S.à.r.l. shall be dissolved post-emergence in accordance with applicable law.

Section 4.15 Class 13 – Equity Interests in MCI and the Schedule III Debtors

(a) Impairment and Voting. Class 13 is impaired by the Plan. Each holder of an Equity Interest in any Schedule III Debtor is conclusively deemed to reject the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. Equity Interests in MCI shall be transferred on the Effective Date to the Millennium Custodial Trust and cancelled after the sale of assets and distribution of proceeds by the Millennium Custodial Trust. No distribution of any kind shall be made on account of Equity Interests in a Schedule III Debtor unless and until creditors of that Schedule III Debtor have been paid in full.

Section 4.16 Class 14 – Equity Interests in the Debtors (other than MCI, LBFC, LBAFGP, LBIAF and Schedule III Debtors)

(a) Impairment and Voting. Class 14 is unimpaired by the Plan. Each holder of an Equity Interest in any Debtor other than MCI, LBFC, LBAFGP, LBIAF and the Schedule III Debtors is conclusively presumed to accept the Plan and is not entitled to vote to accept or reject the Plan.

(b) Distributions. At the election of New Topco, all Equity Interests in a Debtor held by a Debtor (i) shall be unaffected by the Plan, in which case the entity holding an Equity Interest in such Debtor-subsidiary shall continue to hold such Equity Interest in the applicable reorganized Debtor-subsidiary following the Effective Date, (ii) shall be cancelled and new equity in the applicable reorganized Debtor shall be issued pursuant to the Plan, or (iii) shall be transferred pursuant to the Plan. In the case of Equity Interests in Basell Germany, which are held by LBIH, such Equity Interests shall be unaffected by the Plan and LBIH shall continue to hold such Equity Interest following the Effective Date.

ARTICLE V

MEANS FOR IMPLEMENTATION OF THE PLAN

Section 5.1 Settlement. This Plan incorporates the Lender Litigation Settlement. On the Effective Date, Reorganized LyondellBasell shall implement the Lender Litigation Settlement.

Section 5.2 Exit Facility. On or before the Effective Date, Reorganized LyondellBasell shall enter into the Exit Facility. The Exit Facility shall be on terms and conditions as set forth in the Plan Supplement.

Section 5.3 Rights Offering.

(a) Backstop Consideration Shares. Pursuant to the Equity Commitment Agreement, the Rights Offerings Sponsors (or affiliates of the Rights Offering Sponsors) shall directly purchase the Backstop Consideration Shares. Subscription Rights. Pursuant to the Rights Offering, each Eligible Holder as of the Subscription Rights Record Date shall be granted non-transferable Subscription Rights to purchase up to such holder's Rights Offering Pro Rata Share of 240,339,302 Class B Shares at the Subscription Purchase Price of \$10.61 per share.

The number of Class B Shares for which any Eligible Holder may subscribe in the Rights Offering may be decreased in the event of a Section 1145 Cutback. Any such Excluded Shares shall instead be purchased on the Effective Date directly from New Topco by the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors).

The closing date of the Rights Offering shall be the Effective Date of the Plan. The Equity Commitment Agreement is terminable if the Rights Offering is not consummated by June 3, 2010 and upon certain other events. If terminated, the Rights Offering Sponsors shall have no further obligations thereunder.

(c) Subscription Period. The Rights Offering shall commence on the Subscription Commencement Date and shall end at 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date (or such later date as the Debtors, subject to the approval of the Rights Offering Sponsors (not to be unreasonably withheld), may specify in a notice provided to the Rights Offering Sponsors before 9:00 a.m. (prevailing Eastern time) on the Business Day before the then current Rights Offering Expiration Date) (such period of time, the "Subscription Period"). After the Rights Offering Expiration Date, any exercise of Subscription Rights by any entity (other than a purchase of Unsubscribed Shares or Excluded Shares by the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors) pursuant to the Equity Commitment Agreement) shall be null and void and the Subscription Agent shall not honor any such exercise of Subscription Rights, regardless of when the documents relating to such exercise were

sent. Exercise of Subscription Rights. In order to exercise the Subscription Rights, each Eligible Holder must (a) return a duly completed Subscription Form to the Subscription Agent so that such form is received by the Subscription Agent on or prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date; and (b) pay in Cash, by wire transfer in immediately available funds or otherwise, an amount equal to the full Subscription Purchase Price for the number of Class B Shares elected to be purchased by such Eligible Holder, or, in the case of securities held through a bank or brokerage firm, send the Subscription Form to the bank or brokerage firm (or follow such firm's directions with respect to submitting subscription instructions to the firm) with sufficient time for the bank or brokerage firm to effect the subscription through DTC on or prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date. If the Subscription Agent for any reason does not receive from a given Eligible Holder both a timely and duly completed Subscription Form and timely payment of such holder's Subscription Purchase Price, such Eligible Holder shall be deemed to have relinquished and irrevocably waived its right to participate in the Rights Offering. Each Eligible Holder shall be deemed to have relinquished and irrevocably waived its right with respect to the unexercised portion of such Subscription Rights.

The payments received by the Subscription Agent in connection with the Rights Offering shall be deposited and held by the Subscription Agent in a trust account or similarly segregated account or accounts separate and apart from the Subscription Agent's general operating funds and any other funds subject to any lien or similar encumbrance and which segregated account or accounts shall be maintained for the purpose of holding such money for administration of the Rights Offering until the Effective Date. The Subscription Agent shall not use such funds for any other purpose prior to such date and shall not encumber or permit such funds to be encumbered with any lien or encumbrance. Each Eligible Holder intending to participate in the Rights Offering must affirmatively elect to exercise all or any portion of its respective Subscription Rights on or prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date; *provided, however,* that to the extent that the Plan is amended in accordance with its terms, and the Debtors resolicit votes with respect to the Plan or the deadline pursuant to which claimholders may vote to accept or reject a Plan is extended, Eligible Holders may withdraw any previously exercised Subscription Rights but may not exercise Subscription Rights to the extent not previously exercised prior to 5:00 p.m. (prevailing Eastern time) on the Rights Offering Expiration Date.

In the event any Eligible Holder elects to withdraw any of its previously exercised Subscription Rights, within five Business Days of such withdrawal, the Subscription Agent shall return to the withdrawing Eligible Holder, Cash in immediately available funds in an amount equal to the product of (i) the Subscription Purchase Price and (ii) the number of Class B Shares related to the Subscription Rights withdrawn by such Eligible Holder.

In order to facilitate the exercise of the Subscription Rights, on or about the Subscription Commencement Date, the Subscription Form shall be mailed to each Eligible Holder together with appropriate instructions for the proper completion, due execution and timely delivery of the Subscription Form, as well as instructions for payment. New Topco shall instruct the Subscription Agent to deliver to each Eligible Holder that has sought to exercise its Subscription Rights (i) a written statement specifying the portion of the Subscription Rights which New Topco has accepted and (ii) in the event of a Section 1145 Cutback, or in the event that any portion of exercised Subscription Rights are not accepted for any reason, Cash in immediately available funds in an amount equal to the portion of the Subscription Purchase Price with respect to the number of Class B Shares elected to be purchased by such Eligible Holder but not accepted by New Topco as soon as reasonably practicable following the Effective Date.

(e) Undersubscription. Subject to the terms of the Equity Commitment Agreement, in the event that all of the Class B Shares offered pursuant to the Rights Offering are not purchased by Eligible Holders with Subscription Rights, the Rights Offering Sponsors (or affiliates of the Rights

Offering Sponsors) shall purchase on the Effective Date, at the Subscription Purchase Price per share, a number of Class B Shares equal to the Backstop Consideration Shares and the Unsubscribed Shares, as well as any Excluded Shares in accordance with the terms of the Equity Commitment Agreement.

The Subscription Agent shall notify the Rights Offering Sponsors, on each Friday during the Subscription Period and on each Business Day during the five (5) Business Days prior to the Rights Offering Expiration Date (and any extensions thereto), or more frequently if reasonably requested by the Rights Offering Sponsors, of the aggregate number of Subscription Rights known by the Subscription Agent to have been exercised pursuant to the Rights Offering as of the close of business on the preceding Business Day or the most recent practicable time before such request, as the case may be.

The Subscription Agent shall give the Rights Offering Sponsors, as soon as reasonably practicable after the Rights Offering Expiration Date and, in any event, not more than six (6) Business Days after the Rights Offering Expiration Date, by e-mail or by electronic facsimile transmission, written notification setting forth either (i) the information required to be included in the Purchase Notice or (ii) in the absence of any Unsubscribed Shares, the fact that there are no Unsubscribed Shares. The Subscription Agent shall determine the number of Unsubscribed Shares, if any, in good faith, and provide the Rights Offering Sponsors with a Purchase Notice that reflects the number of Unsubscribed Shares as so determined. If an updated Purchase Notice is not subsequently delivered within three (3) Business Days after entry of the Confirmation Order with respect to any Excluded Shares or additional Excluded Shares, as the case may be, the Purchase Notice shall be final. On the Effective Date, the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors) shall purchase the Backstop Consideration Shares and such number of Unsubscribed Shares and Excluded Shares as are listed in the Purchase Notice (as the same may be updated), if any, without prejudice to the rights of the Rights Offering Sponsors to seek later an upward or downward adjustment to the number of Unsubscribed Shares if such Purchase Notice is miscalculated.

Delivery of the Backstop Consideration Shares, Unsubscribed Shares and Excluded Shares shall be made to the accounts of the respective Rights Offering Sponsors (or to such other accounts as the Rights Offering Sponsors may designate), on the Effective Date against payment of the aggregate Subscription Purchase Price for the Backstop Consideration Shares, the Unsubscribed Shares and the Excluded Shares by wire transfer of immediately available funds to a bank account in the United States specified by the Subscription Agent to the Rights Offering Sponsors at least 24 hours in advance. All Backstop Consideration Shares, Unsubscribed Shares and Excluded Shares shall be delivered with any and all issue, stamp, transfer or similar taxes or duties payable in connection with such delivery duly paid by the Debtors or the Reorganized Debtors to the extent required under the Confirmation Order or applicable law. Notwithstanding anything contained herein to the contrary, the Rights Offering Sponsors, in their sole discretion, may designate that some or all of the Backstop Consideration Shares, Unsubscribed Shares or Excluded Shares be issued in the name of, and delivered to, one or more affiliates.

(f) Equity Commitment Agreement. Subject to approval of the Equity Commitment Agreement by the Bankruptcy Court, unless the Equity Commitment Agreement has been previously terminated, the Debtors shall pay to the Rights Offering Sponsors a transaction fee of \$69,750,000 on the Effective Date, payable in accordance with the terms of the Equity Commitment Agreement. The Rights Offering Sponsors shall receive reimbursement of the Rights Offering Fees and Expenses, as further set forth in the Equity Commitment Agreement. In certain circumstances the Rights Offering Sponsors shall be entitled to a termination fee in accordance with the Equity Commitment Agreement.

(g) Transfer of Subscription Rights; Revocation. Prior to the Effective Date, the Subscription Rights shall be automatically transferred in connection with a transfer of a Rights Claim. The Rights shall not be transferable separately from a Rights Claim.

Pursuant to the Equity Commitment Agreement, New Topco and the Debtor Parties have agreed to use their commercially reasonable efforts to obtain an order from the Bankruptcy Court that prohibits direct or indirect transfers of the Subscription Rights in violation of the preceding paragraph prior to the Effective Date. For the avoidance of doubt, the following shall constitute, without limitation, impermissible indirect transfers of Subscription Rights: (i) derivatives, options, swaps, pledges, forward sales or other transactions in which any Person receives the right to own or acquire a Subscription Right, a Claim or a Class B Share; any current or future interest in any such Subscription Right, Claim or a Class B Share or the right to receive any economic benefit in respect of any such Subscription Right, Claim or a Class B Share other than through a sale of a Claim together with the Subscription Rights related thereto, and (ii) any direct or indirect transfer, whether through a direct transfer or through a derivative, option, swap, pledge, forward sale or other transaction, in which the transferor would retain (or, in connection with such transfer, repurchase or agree to repurchase), directly or indirectly, any related Subscription Rights, Class A Shares or Class B Shares or otherwise have the right, directly or indirectly, to acquire or own any current or future interest in any related Subscription Rights, Class A Shares or Class B Shares or economic benefit in respect of any related Subscription Rights, Class A Shares or Class B Shares. Any sale, transfer, assignment or attempted sale, transfer or assignment in violation of this section shall be null and void, and no purported transferee shall be treated as an Eligible Holder of any Subscription Rights. Once an Eligible Holder has properly exercised its Subscription Rights, such exercise cannot be revoked, rescinded or modified.

(h) Withdrawal of Rights Offering. The Debtors may, after consultation with the Creditors' Committee, the Rights Offering Sponsors and the Ad Hoc Group, withdraw the Rights Offering.

(i) Distribution of Class B Shares. On the Effective Date, the Disbursing Agent shall distribute the Class B Shares purchased by the Exercising Claimants and the Rights Offering Sponsors, pursuant to the Rights Offering to such purchasers.

(j) Fractional Rights. No fractional Subscription Rights shall be issued. The number of Class B Shares available for purchase by Exercising Claimants shall be rounded down to the nearest share. Any Class B Shares not subscribed for as a result of such rounding shall be purchased by the Rights Offering Sponsors (or affiliates of the Rights Offering Sponsors) in accordance with the terms of the Equity Commitment Agreement.

(k) Validity of Exercise of Subscription Rights. All questions concerning the timeliness, viability, form and eligibility of any exercise of Subscription Rights shall be determined by the Debtors, in consultation with the Rights Offering Sponsors, whose good faith determinations shall be final and binding. The Debtors, subject to the approval of the Rights Offering Sponsors acting in good faith, may waive any defect or irregularity, or permit a defect or irregularity to be corrected within such times as the Debtors determine, or reject the purported exercise of any Subscription Rights. Subscription Forms shall be deemed not to have been received or accepted until all irregularities have been waived or corrected within such time as the Debtors (subject to the approval of the Rights Offering Sponsors acting in good faith) determine in their reasonable discretion. Neither the Debtors nor the Subscription Agent shall be under any duty to give notification of any defect or irregularity in connection with the submission of Subscription Forms or incur any liability for failure to give such notification.

(l) Rights Offering Procedures. Notwithstanding anything contained herein to the contrary, the Debtors (subject to the approval of the Rights Offering Sponsors) may modify the procedures relating to the Rights Offering or adopt such additional procedures substantially consistent with the provisions of this section in each case to more effectively administer the exercise of the Subscription Rights.

(m) Indemnification of Rights Offering Sponsors. Subject to the approval of the Equity Commitment Agreement by the Bankruptcy Court, the Rights Offering Indemnifying Parties agree to indemnify and hold harmless the Rights Offering Indemnified Persons from and against any and all losses, claims, damages, liabilities and reasonable expenses, joint or several, to which any such Rights Offering Indemnified Person may become subject arising out of or in connection with any claim, challenge, litigation, investigation or proceeding with respect to the Rights Offering, the Equity Commitment Agreement, or the transactions specifically contemplated thereby (but, for the avoidance of doubt, not other transactions relating to the Chapter 11 Cases or the Plan) including, without limitation, payment of the Backstop Fee, distribution of the Subscription Rights, the purchase and sale of Class B Shares pursuant to the Rights Offering, and to reimburse such Rights Offering Indemnified Persons for reasonable legal or other reasonable out-of-pocket expenses as they are incurred in connection with investigating, responding to or defending any of the foregoing, provided that the foregoing indemnification shall not, as to any Rights Offering Indemnified Person, apply to losses, claims, damages, liabilities or expenses to the extent that it is finally judicially determined by a court of competent jurisdiction to have resulted from gross negligence or willful misconduct on the part of such Rights Offering Indemnified Person. If for any reason the foregoing indemnification is unavailable to any Rights Offering Indemnified Person or insufficient to hold it harmless, then the Rights Offering Indemnifying Parties shall contribute to the amount paid or payable by such Rights Offering Indemnified Person as a result of such loss, claim, damage, liability or expense in such proportion as is appropriate to reflect not only the relative benefits received by the Rights Offering Indemnifying Parties on the one hand and such Rights Offering Indemnified Person on the other hand, but also the relative fault of the Rights Offering Indemnifying Parties, on the one hand, and such Rights Offering Indemnified Person, on the other hand, as well as any relevant equitable considerations. The relative benefits to the Rights Offering Indemnifying Parties on the one hand and all Rights Offering Indemnified Persons on the other hand shall be deemed to be in the same proportion as (i) the total value received or proposed to be received by New Topco pursuant to the sale of Class B Shares contemplated by the Equity Commitment Agreement bears to (ii) the aggregate fee paid or proposed to be paid to the Rights Offering Sponsors in connection with such sale. The indemnity and reimbursement obligations of the Rights Offering Indemnifying Parties described herein and the representations and warranties set forth in the Equity Commitment Agreement shall terminate and be of no further force and effect following the earlier of the Equity Commitment Agreement Termination Date and the Effective Date.

(n) Use of Proceeds. On the Effective Date, the proceeds received by New Topco from the Rights Offering shall be used to fund the Reorganized Debtors' emergence and provide necessary post-emergence liquidity.

Section 5.4 Restructuring Transactions.

(a) Distributions Regarding Obligor Non-Debtors. In full and complete satisfaction, settlement and release of their Claims against Obligor Non-Debtors, and pursuant to distributions in connection with the Global Restructuring and otherwise pursuant to the Plan, holders of Senior Secured Facility Claims shall receive 100% of the Class A Shares allocable to the value of LBIAF and LBIH and any of their respective direct and indirect subsidiaries (other than LBFC and its direct and indirect subsidiaries).

LBFC in turn shall transfer Class A Shares to each entity that is an obligor with respect to such Claims in proportion to the outstanding debt issued, and these obligors shall immediately distribute the Class A Shares to the applicable holders of Claims. The value of Class A Shares distributed to the holders of Claims against the U.S. Debtors shall be equal to the net value of the U.S. Debtors.

Section 5.5 The Millennium Custodial Trust.

(a) Structure.

On or before the Effective Date, the Millennium Custodial Trust shall be formed pursuant to the Millennium Custodial Trust Agreement and the filing of a certificate of trust with the Delaware Secretary of State. The Delaware Trustee and the Millennium Trust Trustee shall be appointed by the Debtors to administer the Millennium Custodial Trust. On or about the Effective Date, Equistar shall transfer all of its Equity Interests in the Former Equistar Subsidiaries to MCI. On or about the Effective Date, certain Debtors, including certain MCI Subsidiaries, shall transfer the Transferred Real Properties to the Environmental Custodial Trust. Subsequently, Lyondell Chemical shall transfer all of its Equity Interests in MCI to the Millennium Custodial Trust. By virtue of Lyondell Chemical's transfer of its Equity Interests in MCI to the Millennium Custodial Trust, MCI's Subsidiaries, including but not limited to the Former Equistar Subsidiaries, shall be transferred to the Millennium Custodial Trust. The holders of Allowed Claims against MCI shall receive the Millennium Custodial Trust Interests, which shall entitle each such holder to its Pro Rata Share of recoveries with respect to the Millennium Trust Assets, including any recovery by MCI from its direct and indirect ownership of the MCI Subsidiaries.

Each holder of an Allowed Claim against an MCI Subsidiary shall receive, in full and complete satisfaction of its Allowed Claim, Participation Rights, but excluding any amounts for postpetition interest or post-Effective Date interest. The resolution of a Disputed Claim against a MCI Subsidiary and the distribution of Participation Rights shall be determined according to the procedures described in Article VIII hereof. If, upon liquidation, an MCI Subsidiary's assets are insufficient to satisfy all amounts payable under such MCI Subsidiary's Participation Rights, the holders of Participation Rights in such MCI Subsidiary shall recover their Pro Rata Share of the assets of that MCI Subsidiary. Conversely, to the extent an MCI Subsidiary's assets exceed the aggregate amount payable under such MCI Subsidiary's Participation Rights, such MCI Subsidiary shall, subject to applicable law, distribute its excess assets in liquidation to the immediate parent entity that owns the Equity Interests in such MCI

Subsidiary. Any such distributed excess amounts thereafter shall be available to the holders of the immediate parent entity's Participation Rights.

(b) General Distribution Scheme for Schedule III Debtors.

The Schedule III Allocations shall be paid or otherwise afforded the treatment set forth in the Plan by the Reorganizing Debtors or Reorganized Debtors (as applicable), as partial consideration for the releases that the Schedule III Debtors are granting to the Reorganized Debtors and Non-Debtor Affiliates pursuant to the Plan.

All Intercompany Claims by a Schedule III Debtor against another Schedule III Debtor shall remain in place after the Effective Date; *provided, however,* that (i) Millennium America Inc. shall contribute its prepetition net receivables from MHC Inc. to Millennium Holdings LLC, and (ii) Millennium Holdings LLC shall contribute its prepetition net receivables from MHC Inc. to MHC Inc. All Schedule III Intercompany Claims as of the Effective Date shall be discharged or waived; *provided, however,* that the Intercompany Claim of KIC Ltd. against MHC shall be afforded the same treatment as General Unsecured Claims against MHC.

(c) Funding the Millennium Custodial Trust.

The Reorganizing Debtors shall contribute the Wind-Up Funds to the Millennium Custodial Trust in order to fund the resolution of Claims against Schedule III Debtors and Claims by those entities against others. The Wind-Up Funds shall be held in an account maintained by the Millennium Trust Trustee for the benefit of the Schedule III Debtors.

(d) Other Millennium Custodial Trust Provisions.

(i) Purpose. The Millennium Custodial Trust shall be established for the sole purpose of holding, liquidating and distributing the assets of the Schedule III Debtors, subject to the North American Restructuring, in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, with no objective to continue or engage in the conduct of a trade or business.

(ii) Role of the Millennium Trust Trustee and the Directors and Officers of the MCI Subsidiaries. The Millennium Custodial Trust shall be managed by the Millennium Trust Trustee in accordance with the terms of the Millennium Custodial Trust Agreement. The Millennium Trust Trustee shall be an independent third party and shall initially be designated by the Debtors. In the event the Millennium Trust Trustee dies, is disabled, is removed or resigns for any reason, as provided in the Millennium Trust Agreement, the Millennium Trust Advisory Board shall designate a successor.

(iii) Nontransferability of Millennium Custodial Trust Interests. The Millennium Custodial Trust Interests shall not be certificated and, subject to applicable law, shall not be transferable. The ownership of a Millennium Custodial Trust Interest shall not entitle any holder to (A) any title in or to the assets of the Millennium Custodial Trust (which title shall be vested in the Millennium Custodial Trust) or to any right to call for a partition or division of the assets of the Millennium Trust or to require an accounting; or (B) subject to applicable law, any voting rights with respect to the administration of the Millennium Custodial Trust (other than the right to appoint members of the Millennium Trust Advisory Board).

(iv) Securities Law Matters. To the extent the Millennium Custodial Trust Interests are deemed to be “securities,” the issuance of Millennium Custodial Trust Interests under the Plan are exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended, and any applicable state and local laws requiring registration of securities.

(v) Distribution of Millennium Trust Chain Assets. At least annually, the Millennium Trust Trustee, in his role as such or the relevant Millennium Chain Governing Body of the applicable Schedule III Debtor, shall make distributions to the holders of Participation Rights against each respective Schedule III Debtor of Cash on hand from liquidation of the Schedule III Debtor’s assets, in accordance with the Millennium Custodial Trust Agreement, except such amounts (i) that are earmarked for environmental clean-up costs (in the event that there are any remaining properties belonging to the Schedule III Debtors with remaining environmental clean-up liabilities), (ii) as would be distributable to a holder of a Disputed Claim if such Disputed Claim had been Allowed prior to the time of such distribution (but only until such Claim is resolved), (iii) as are reasonably necessary to meet contingent liabilities and to maintain the value of the Millennium Trust Chain Assets during liquidation, (iv) to pay reasonable expenses (including, but not limited to, any taxes imposed on the Millennium Custodial Trust, MCI or an MCI Subsidiary, as applicable), and (v) to satisfy other liabilities incurred by the Millennium Custodial Trust in accordance with this Plan or the Millennium Custodial Trust Agreement. Notwithstanding the foregoing, the Reorganizing Debtors or their designees reserve the right to resolve Claims against the Schedule III Debtors prior to the Effective Date.

(vi) Transfer Taxes. Any transfer of the Millennium Trust Chain Assets to the Millennium Custodial Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

(vii) Costs and Expenses and Retention of Professionals. The reasonable costs and expenses of the Millennium Custodial Trust and of each of the Schedule III Debtors, including the fees and expenses of the Millennium Trust Trustee, the Delaware Trustee, the Millennium Chain Governing Bodies, and their respective retained professionals, shall be paid out of the Millennium Trust Chain Assets. Reasonable fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Millennium Custodial Trust Chain. The Millennium Trust Trustee and the Delaware Trustee shall be entitled to reasonable compensation approved by the Millennium Trust Advisory Board in an amount consistent with that of similar functionaries in similar roles.

The Millennium Trust Trustee may retain and compensate attorneys and other professionals to assist in its duties as Millennium Trust Trustee on such terms as the Millennium Trust Trustee, acting in good faith as a fiduciary of the Millennium Custodial Trust, deems appropriate without Bankruptcy Court approval. Without limiting the foregoing, the Millennium Trust Trustee may retain any professional who represented parties in interest in the Chapter 11 Cases.

(viii) Term of Millennium Custodial Trust. The Millennium Custodial Trust shall be dissolved (and MCI and all of the MCI Subsidiaries shall be liquidated) no later than five (5) years from the Effective Date; *provided, however,* that the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Millennium Custodial Trust for a finite period if (i) such extension is necessary to the liquidating purpose of the Millennium Custodial Trust, (ii) the Millennium Trust Trustee receives an opinion of counsel or a ruling from the IRS stating that

such extension would not adversely affect the status of the Millennium Custodial Trust as a liquidating trust for U.S. federal income tax purposes, and (iii) such extension is obtained within the six (6) month period prior to the Millennium Custodial Trust's fifth (5th) anniversary or the end of the immediately preceding extension period, as applicable.

(ix) Federal Income Tax Treatment of the Millennium Custodial Trust. The Millennium Custodial Trust is intended to qualify as a liquidating trust for U.S. federal income tax purposes. In general, a liquidating trust is not a separate taxable entity for U.S. federal income tax purposes, but is instead treated as a grantor trust, i.e., a pass-through entity. All parties must treat the transfer of the Millennium Trust Assets to the Millennium Custodial Trust as a transfer of such assets directly to the beneficiaries of the Millennium Custodial Trust, followed by the transfer of such assets by the beneficiaries to the Millennium Custodial Trust. Consistent therewith, all parties must treat the Millennium Custodial Trust as a grantor trust of which the Millennium Custodial Trust's beneficiaries are the owners and grantors. Assuming the Millennium Custodial Trust is treated as a liquidating trust, the holders of Millennium Custodial Trust Interests generally should be treated for U.S. federal income tax purposes as the direct owners of an undivided interest in the Millennium Trust Assets. The Millennium Trust Trustee shall determine the fair market value of the Millennium Trust Assets as soon as possible after the Effective Date, and all parties must consistently use this valuation for all U.S. federal income tax purposes.

Section 5.6 The Environmental Custodial Trust.

(e) Structure. On or before the Effective Date, the Environmental Custodial Trust shall be formed pursuant to the Environmental Custodial Trust Agreement and the filing of a certificate of trust with the Delaware Secretary of State. The Delaware Trustee and the Environmental Trust Trustee shall be appointed by the Debtors (in consultation with the Environmental Trust Beneficiaries) to administer the Environmental Custodial Trust. On or about the Effective Date, the Debtors shall contribute to the Environmental Custodial Trust the Transferred Real Properties. Generally, the Transferred Real Properties are (1) environmentally contaminated property and the subject of current or expected clean-up obligations, and (2) no longer beneficial to the on-going operations of the Debtors. The Environmental Trust Beneficiaries shall hold all of the Environmental Custodial Trust Interests, which shall entitle the Environmental Trust Beneficiaries to their share of the recoveries with respect to the Environmental Trust Assets in accordance with the terms of the Environmental Custodial Trust Agreement. Although the Debtors do not expect that there shall be any recovery by the Environmental Trust Beneficiaries following the remediation and disposition of the Transferred Real Properties, any excess funds in the Environmental Custodial Trust following the disposition of all Transferred Real Properties shall, after the payment or making of reasonable provision for payment of all claims and obligations of the Environmental Custodial Trust in accordance with applicable law, be disbursed to such federal and state accounts as the Environmental Trust Beneficiaries designate.

(f) Funding the Environmental Custodial Trust. The Debtors shall contribute the Clean Up Funds to the Environmental Custodial Trust. The Debtors anticipate that the Clean Up Funds shall be allocated to address the cleanup costs of the Transferred Real Properties and in settlement of the position of the EPA and other Environmental Trust Beneficiaries regarding injunctive relief obligations at Debtor-owned property and third party sites. The Clean Up Funds shall be held and administered by the Environmental Trust Trustee in accordance with the Environmental Custodial Trust Agreement and pursuant to any settlement with the EPA and other Environmental Trust Beneficiaries.

(g) Other Environmental Custodial Trust Provisions.

(i) Transfer of Transferred Real Properties. The Debtors shall effect the transfer of all of their rights, title and interests in the Transferred Real Properties by quit claim deed, and such transfer shall be free and clear of all claims, liens, and interests against the Debtors.

(ii) Purpose of the Environmental Custodial Trust. The Environmental Custodial Trust shall be established for the sole purpose of (a) owning the Transferred Real Properties and carrying out administrative and property management functions related to the Transferred Real Properties, (b) conducting, managing, and/or funding the implementation of Environmental Actions with respect to the Transferred Real Properties, (c) selling, transferring or otherwise disposing of the Transferred Real Properties, and (d) making distributions, if any, in accordance with the terms of the Environmental Custodial Trust Agreement.

(iii) Role of the Environmental Trust Trustee. The Environmental Custodial Trust shall be managed by the Environmental Trust Trustee in accordance with the terms of the Environmental Custodial Trust Agreement. The Environmental Trust Trustee shall be an independent third party that shall initially be designated by the Debtors, in consultation with the Environmental Trust Beneficiaries. In the event the Environmental Trust Trustee dies, is disabled, is removed or resigns for any reason, as provided in the Environmental Custodial Trust Agreement, the Environmental Trust Advisory Board shall designate a successor. The Environmental Trust Trustee may be the same person as the Millennium Trust Trustee.

(iv) Nontransferability of Environmental Custodial Trust Interests. The Environmental Custodial Trust Interests shall not be certificated and, subject to applicable law, shall not be transferable. The ownership of an Environmental Custodial Trust Interest shall not entitle any holder to (A) any title in or to the assets of the Environmental Custodial Trust (which title shall be vested in the Environmental Custodial Trust) or to any right to call for a partition or division of the assets of the Environmental Trust assets or to require an accounting; or (B) subject to applicable law, any voting rights with respect to the administration of the Environmental Custodial Trust (other than the right to appoint members of the Environmental Trust Advisory Board).

(v) Securities Law Matters. To the extent the Environmental Custodial Trust Interests are deemed to be “securities,” the issuance of Environmental Custodial Trust Interests under the Debtors’ Plan are exempt, pursuant to section 1145 of the Bankruptcy Code, from registration under the Securities Act of 1933, as amended, and any applicable state and local laws requiring registration of securities.

(vi) Transfer Taxes. Any transfer of the Transferred Real Properties to the Environmental Custodial Trust shall be exempt from any stamp, real estate transfer, mortgage reporting, sales, use or other similar tax to the extent permitted under section 1146(a) of the Bankruptcy Code.

(vii) Costs and Expenses and Retention of Professionals. The reasonable costs and expenses of the Environmental Custodial Trust, including the fees and expenses of the Environmental Trust Trustee, the Delaware Trustee and their retained professionals, shall be paid out of the Clean Up Funds. Reasonable fees and expenses incurred in connection with the prosecution and settlement of any Claims shall be considered costs and expenses of the Environmental Custodial Trust. The Environmental Trust Trustee and the Delaware Trustee shall be entitled to reasonable compensation approved by the Environmental Trust Advisory Board in an amount consistent with that of similar functionaries in similar roles. The Environmental Trust Trustee may retain and compensate attorneys and other professionals to assist in its duties as

Environmental Trust Trustee on such terms as the Environmental Trust Trustee, acting in good faith as a fiduciary of the Environmental Custodial Trust, deems appropriate without Bankruptcy Court approval. Without limiting the foregoing, the Environmental Trust Trustee may retain any professional who represented parties in interest in the Chapter 11 Cases.

(viii) Federal Income Tax Treatment of the Environmental Custodial Trust. The Environmental Custodial Trust is intended to be treated as a “qualified settlement fund” as that term is defined in Treasury Regulation section 1.468B-1 and as a separate taxable entity for U.S. federal income tax purposes. The Environmental Trust Trustee shall not elect to have the Environmental Custodial Trust treated as a grantor trust for U.S. federal income tax purposes. The Environmental Trust Trustee shall be the “administrator” of the Environmental Custodial Trust pursuant to Treasury Regulation section 1.468B-2(k)(3).

Section 5.7 The Litigation Trust.

On or after the Effective Date, the Debtors or the Reorganized Debtors, as the case may be, on their own behalf and on behalf of the Litigation Trust Beneficiaries, if any, shall execute the Litigation Trust Agreement and shall take all other steps necessary to establish the Litigation Trust in accordance with and pursuant to the terms of the Plan. The Debtors or the Reorganized Debtors shall loan \$15 million to the Litigation Trust and the Debtors, the Reorganized Debtors and the Creditors’ Committee on behalf of the Litigation Trust Beneficiaries, shall transfer to the Litigation Trust all of their right, title, and interest in causes of action brought in the Committee Litigation, except those claims against the Settling Defendants that were settled as a result of the Lender Litigation Settlement, and any proceeds thereof. Any recoveries on account of the causes of action transferred to the Litigation Trust shall be distributed to the Litigation Trust Beneficiaries in accordance with the Plan and the Litigation Trust Agreement. From and after the Confirmation Date, the Litigation Trustee shall continue to prosecute any remaining claims related to the Committee Litigation.

The Litigation Trust shall be established for the sole purpose of distributing the proceeds from the Committee Litigation, in accordance with Treasury Regulation section 301.7701-4(d) and Revenue Procedure 94-45, with no objective to continue or engage in the conduct of a trade or business. The transfer of the Litigation Trust Assets shall be deemed a transfer of such assets directly to the Litigation Trust Beneficiaries, followed by the transfer of such assets by the Beneficiaries to the Litigation Trust. The Litigation Trust shall be a grantor trust of which the Litigation Trust Beneficiaries are the owners and grantors. The Litigation Trustee shall determine the fair market value of the Litigation Trust Assets as soon as possible after the Effective Date, and all parties must consistently use this valuation for all U.S. federal income tax purposes.

The Litigation Trust shall be dissolved no later than five (5) years from the Effective Date; *provided, however,* that the Bankruptcy Court, upon motion by a party in interest, may extend the term of the Litigation Trust for a finite period if (i) such extension is necessary to the purpose of the Litigation Trust, (ii) the Litigation Trustee receives an opinion of counsel or a ruling from the IRS stating that such extension would not adversely affect the status of the Litigation Trust as a liquidating trust for U.S. federal income tax purposes, and (iii) such extension is obtained within the six (6) month period prior to the Litigation Trust’s fifth (5th) anniversary or the end of the immediately preceding extension period, as applicable. Upon dissolution of the Litigation Trust, any remaining Cash on hand and other assets shall be distributed to the Litigation Trust Beneficiaries and the Prepetition Intercompany Claims.

Section 5.8 Intercompany Claims. No distribution shall be made on account of Prepetition Intercompany Claims, which Claims shall be fully subordinated, cancelled (including, but not limited to, the Prepetition Intercompany Claims set forth on Schedule V of the

Disclosure Statement), remain in place, or otherwise compromised as determined by Reorganized LyondellBasell.

Section 5.9 Closing of the Chapter 11 Cases. When all Disputed Claims against any Debtor either have become Allowed or have been disallowed by Final Order, and no controverted matter remains outstanding, the Debtors shall seek authority from the Bankruptcy Court to close the applicable Debtor's Chapter 11 Case in accordance with the Bankruptcy Code and the Bankruptcy Rules.

Section 5.10 Early Payment. Nothing herein shall prevent any of the Debtors, Reorganized Debtors or the Millennium Trust Trustee from making any payments prior to the date provided for in the Plan, and neither the Debtors, the Millennium Trust Trustee nor the Reorganized Debtors shall suffer any penalty or prejudice from making any such payments.

Section 6.5 Authorization and Issuance of New Securities. The issuance of the New Common Stock, New Third Lien Notes and Cram Down Notes, if any, by New Topco and the issuance or guarantee, as applicable, by any of the Reorganized Debtors of any and all securities, notes, stock, Instruments, certificates and other documents or agreements required to be issued, executed or

Prior to the listing of the shares, the Debtors expect that the New Common Stock shall be held in global form by a transfer agent in the form of one or more bearer global share certificates for the account of Cede & Company, the nominee of the Depository Trust Company. Subject to compliance with Dutch law and the rules of the Depository Trust Company, transfers of shares of New Common Stock prior to listing may only be made by the transfer of a book entry position in the relevant global bearer share certificate.

Section 6.7 Equity Compensation Plan. On, or as soon as practicable after, the Effective Date, New Topco shall adopt the Equity Compensation Plan, pursuant to which New Topco shall implement an equity-based program. The terms of the Equity Compensation Plan shall be filed as part of the Plan Supplement.

ARTICLE VII

DISTRIBUTIONS UNDER THE PLAN

Section 7.1 Disbursing Agent. Except as otherwise provided herein, all distributions and other payments to be made “by the Debtors” or “by the Reorganized Debtors,” or by any of them, under the Plan or otherwise in connection with the Chapter 11 Cases (including, without limitation, professional compensation and statutory fees) shall be made by New Topco (or such other entity designated by New Topco) as the Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. In the event the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

(a) Powers of the Disbursing Agent. The Disbursing Agent shall be empowered to (i) effect all actions and execute all agreements, Instruments and other documents necessary to perform its duties under the Plan, (ii) make all distributions and other payments contemplated hereby, (iii) employ professionals to represent it with respect to its responsibilities, and (iv) exercise such other powers as may be vested in it by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

(b) Expenses Incurred on or After the Effective Date. Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and expenses incurred by the Disbursing Agent on or after the Effective Date (including, without limitation, taxes) and any reasonable compensation and

expense reimbursement claims (including, without limitation, reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

Section 7.2 Distributions of Cash. Any payment of Cash made hereunder by any of the Debtors or Reorganized Debtors may be made at the option of such party either by check or wire transfer. No payment of Cash less than one hundred dollars (\$100) shall be made by or on behalf of the Debtors or Reorganized Debtors to any holder of an Allowed Claim unless a request therefor is made in writing to the Reorganized Debtors at the address set forth in Section 13.19 of the Plan.

Section 7.3 Distributions Free and Clear. Except as otherwise provided herein, any distribution or transfer by any of the Debtors or Reorganized Debtors, including but not limited to distributions to any holder of an Allowed Claim, shall be free and clear of any liens, claims, and encumbrances, and no other entity shall have any interest—legal, beneficial, or otherwise—in assets transferred pursuant to the Plan.

Section 7.4 Timing of Distributions. Unless otherwise provided herein, any distributions and deliveries to be made hereunder on account of Allowed Administrative Expenses, Allowed Claims or Allowed Equity Interests as of the Effective Date shall be made on the Effective Date or as soon as reasonably practicable thereafter and deemed made on the Effective Date. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act shall be completed no later than the next succeeding Business Day, but shall be deemed to have been completed as of the required day.

Section 7.5 Delivery of Distributions.

(a) Last Known Address. Subject to Bankruptcy Rule 9010, all distributions to any holder of an Allowed Claim or Allowed Administrative Expense shall be made at the address of such holder as set forth on its proof of claim, and in the absence of a proof of claim, on the Schedules filed with the Bankruptcy Court or on the books and records of the Debtors or their agents. The holder must provide in writing of a change of address pursuant to the notice requirements set forth in Section 13.19 hereof or, in the case of holders of transferred Claims only, by the filing of a proof of claim or statement pursuant to Bankruptcy Rule 3001(e) by such holder or transferee that contains an address for such holder different than the address of such holder as set forth in the Schedules. The Debtors and Reorganized Debtors and their agents shall not be liable for any distribution sent to the address of record of a holder in the absence of the written change thereof as provided herein.

(b) Distributions by Prepetition Agent. Distributions under the Plan to holders of Allowed Claims in Classes 4 and 5 shall be made to the applicable trustee or agent, which, in turn, shall make the distributions to the holders of such Allowed Claims.

Section 7.6 No Fractional Distributions. No New Third Lien Notes or Cram Down Notes shall be distributed under the Plan in increments of less than \$1.00. No fractions of New Common Stock or Cash in lieu thereof shall be distributed. Cash shall not be distributed under the Plan in denominations of less than one cent (\$0.01). For purposes of distribution, fractions of New Third Lien Notes, Cram Down Notes and New Common Stock shall be rounded down to the nearest whole number.

Section 7.7 Distributions to Holders as of Record Date. As of the close of business on the Record Date, the various books and records and transfer and claims registers for each of the Classes of Claims as maintained by the Debtors, their respective agents, and the indenture trustees for the ARCO Notes, Equistar Notes, Millennium Notes and 2015 Notes shall be deemed closed, and there

shall be no further changes in the record holders of any of the Claims, and such holders shall be the Allowed holders for purposes of distribution under the Plan. The Debtors shall have no obligation to recognize any transfer of the Claims occurring after the close of business on the Record Date. The Debtors, the Disbursing Agent, and the indenture trustees for the ARCO Notes, Equistar Notes and 2015 Notes shall be entitled to recognize and deal for all purposes under the Plan only with those record holders stated on the transfer ledgers as of the close of business on the Record Date, to the extent applicable.

Section 7.8 Undeliverable and Unclaimed Distributions. If any distribution to the holder of an Administrative Expense or Claim is returned as undeliverable, no further distributions to such holder shall be made unless and until the holder notifies the Reorganized Debtors in writing of such holder's then-current address, at which time all missed distributions shall, subject to the final sentence of this paragraph, be made as soon as is practicable to such holder, without interest. Checks issued by or on behalf of the Debtors or Reorganized Debtors in respect of Allowed Administrative Expenses or Claims shall be null and void if not negotiated within one hundred and twenty (120) days after the date of issuance thereof. Requests for re-issuance of any check shall be made in accordance with the notice provisions of Section 13.19 hereof to the Reorganized Debtors, by the holder of the Allowed Administrative Expense or Claim to whom such check originally was issued. All claims for undeliverable distributions or voided checks shall be made on or before one hundred and fifty (150) days after the date such undeliverable distribution was initially made. After such dates, all such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code and shall become unencumbered Cash of the Reorganized Debtors and the claim of any other holder to such property (or interest in property) shall be discharged and forever barred. The holder of any Administrative Expense or Claim for which any undeliverable distribution has been deemed unclaimed property under section 347(b) of the Bankruptcy Code shall not be entitled to any other or further distribution under the Plan on account of such Claim or Equity Interest.

Section 7.9 Setoffs. To the extent permitted under applicable law, the Debtors or Reorganized Debtors may set off against or recoup from any Allowed Administrative Expense or Allowed Claim (except for the DIP ABL Claims, DIP Roll-Up Claims and DIP New Money Claims) and the distributions to be made hereunder on account thereof (before any distribution is made on account of such Allowed Administrative Expense or Allowed Claim), the claims, rights and causes of action of any nature that the Debtors may have asserted in writing against the holder of such Allowed Administrative Expense or Allowed Claim, including, without limitation, any rights under section 502(d) of the Bankruptcy Code. In the absence of a written objection by such holder of an Allowed Claim within thirty (30) days of the delivery of such a writing from the Debtors, it shall be conclusively presumed that the requirements for disallowance of a Claim under section 502(d) of the Bankruptcy Code or setoff or recoupment under applicable law have been satisfied. If the holder of such Allowed Administrative Expense or Allowed Claim timely responds to the Debtors' written assertion that setoff or recoupment against such holder is appropriate, the party asserting such right must seek an order of the Bankruptcy Court allowing such setoff or recoupment; *provided, however,* that neither the failure to effect such a setoff nor the allowance of any Claim hereunder shall constitute a waiver or release by the Debtors of any such claims, rights and causes of action that the Debtors may possess against such holder.

Section 7.10 Nonconsensual Confirmation. If any impaired Class of Claims that is entitled to vote does not accept the Plan by the requisite statutory majorities provided in section 1126(c) of the Bankruptcy Code, the Debtors reserve the right to amend the Plan, in consultation with the Ad Hoc Group and the Rights Offering Sponsors, or undertake to have the Bankruptcy Court confirm the Plan under section 1129(b) of the Bankruptcy Code, or both. With respect to impaired Classes of Claims and Equity Interests that are deemed to reject the Plan, the Debtors shall request that the Bankruptcy Court confirm the Plan pursuant to section 1129(b) of the Bankruptcy Code.

Section 7.11 Hart-Scott-Rodino Compliance. Any shares of New Common Stock to be distributed under the Plan to any entity required to file a Premerger Notification and Report Form under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, or to meet any similar requirements under applicable non-U.S. law, shall not be distributed until the notification and waiting periods applicable under such law to such entity shall have expired or been terminated.

Section 7.12 Cancellation of Existing Securities and Agreements. On the Effective Date, any document, agreement or Instrument evidencing a Claim or Equity Interest, other than (a) a Claim that is reinstated and rendered unimpaired under the Plan, (b) Equity Interest held by a Debtor in another Debtor, (c) Intercompany Claims (including Claims that become Intercompany Claims pursuant to (a) hereof) which shall be governed by Section 5.8 hereof, and (d) Equity Interests in Basell Germany, shall be deemed cancelled without further act or action under any applicable agreement, law, regulation, order or rule and the obligations of the Debtors under such documents, agreements or Instruments evidencing such Claims and Equity Interest, as the case may be, shall be discharged; *provided, however,* that the ARCO Notes Indenture, Equistar Notes Indenture, Millennium Notes Indenture, Bridge Loan Agreement, Senior Secured Credit Agreement, the DIP Agreement and Intercreditor Agreement shall continue in effect for the purposes of permitting the indenture trustees and agents thereunder (or party thereto) to (i) make distributions pursuant to the Plan and to perform such other necessary functions with respect thereto, (ii) maintain and assert any rights or liens for reasonable fees, costs and expenses thereunder and (iii) with regard to the DIP Agent, assert any right with regard to the Excluded DIP Obligations.

Section 7.13 Surrender of Securities. Unless otherwise provided herein, as a condition precedent to receiving any distribution hereunder, each registered holder of a certificate or other Instrument evidencing a Claim must surrender to the Reorganized Debtors or the applicable Agents or Indenture Trustees for the Senior Secured Credit Facility, Bridge Loan Facility, DIP Roll-Up Loans, 2015 Notes, the Millennium Notes, ARCO Notes and Equistar Notes all Instruments or other documents representing or evidencing such Claim. Any holder of a Claim that fails to (i) surrender such Instrument or (ii) execute and deliver to the Disbursing Agent an affidavit of loss and/or indemnity reasonably satisfactory to the Reorganized Debtors by the later to occur of (a) the first Effective Date Anniversary and (b) six months following the date such holder's Claim becomes an Allowed Claim, shall be deemed to have forfeited all rights and Claims with respect thereto, may not participate in any distribution under the Plan on account thereof, and all Cash, securities and other property owing with respect to such Allowed Claims shall be retained by the Reorganized Debtors and any New Third Lien Notes, Cram Down Notes or New Common Stock owing with respect to such Allowed Claims shall be cancelled and of no further force of effect.

Section 7.14 Postpetition Interest on Claims. Unless expressly provided herein, the Confirmation Order, the DIP Financing Order, or any contract, Instrument, release, settlement or other agreement entered into in connection with the Plan, or required by applicable bankruptcy law (including the fair and equitable rule), postpetition interest shall not accrue on or after the Commencement Date on account of any Claim.

Section 7.15 Withholding and Reporting Requirements. In connection with the Plan and all Instruments issued in connection therewith and distributed thereon, the Debtors, the Reorganized Debtors or any other paying agent, as applicable, shall comply with all applicable withholding and reporting requirements imposed by any federal, state, or local taxing authority, and all distributions under the Plan shall be subject to any such withholding or reporting requirements. Notwithstanding the above, each holder of an Allowed Claim that is to receive a distribution under the Plan shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any governmental unit on account of such distribution, including withholding tax

obligations in respect of in-kind (non-Cash) distributions. Any party issuing any Instrument or making an in-kind (non-Cash) distribution under the Plan has the right, but not the obligation, to refrain from making a distribution until the holder of the Allowed Claim, for which such distribution is to be made, has made arrangements satisfactory to such issuing or disbursing party for payment of any such tax obligations.

ARTICLE VIII

PROCEDURES FOR RESOLVING AND TREATING DISPUTED CLAIMS

Section 8.1 Disputed Claims.

(e) Objections. As of the Effective Date, the Reorganized Debtors and the Schedule III Debtors shall have the right, to the exclusion of all others (except as to applications for allowances of compensation and reimbursement of expenses under sections 328, 330, 331 and 503 of the Bankruptcy Code), to make, file and prosecute objections to Claims. The claims objection procedures approved by the Bankruptcy Court pursuant to the order entered on August 11, 2009, shall continue to apply to the Reorganized Debtors and the Schedule III Debtors. The Reorganized Debtors and the Schedule III Debtors shall serve a copy of each objection upon the holder of the Claim to which the objection is made as soon as practicable (unless such Claim was already the subject of a valid objection by the Debtors), but in no event shall the service of such an objection be later than one (1) year after the Effective Date, unless such date is extended by order of the Bankruptcy Court. The Bankruptcy Court, for cause, may extend the deadline on the *ex parte* request of the Reorganized Debtors.

(f) Estimations. The Debtors or the Reorganized Debtors may, at any time, request the Bankruptcy Court to estimate any Claim, pursuant to section 502(c) of the Bankruptcy Code, regardless of whether the Debtors previously have objected to such Claim, and the Bankruptcy Court shall retain jurisdiction to estimate any Claim, at any time, including during litigation concerning any objection to such Claim.

Section 8.2 Resolution of Disputed Claims.

(e) Litigation or Compromise. All objections shall be litigated to a Final Order except to the extent that the Reorganized Debtors or Schedule III Debtors elect to withdraw such objections, or the Reorganized Debtors or Schedule III Debtors and the holder of the Disputed Claim compromise, settle or otherwise resolve such objections, in which event they may settle, compromise or otherwise resolve any Disputed Claim without further order of the Bankruptcy Court.

(f) Estimation. In the event the Bankruptcy Court estimates any Disputed Claim, that estimated amount may constitute either the Allowed amount of such Claim or a maximum limitation on the Allowed amount of such Claim, as determined by the Bankruptcy Court. If the estimated amount constitutes a maximum limitation on the Allowed amount of such Claim, the applicable Reorganized Debtor or Schedule III Debtor may elect to pursue any supplemental proceedings to object to any ultimate payment of such Claim.

(g) Procedures Cumulative. All of the Claims objection, estimation and resolution procedures set forth in this Article VIII are cumulative and not necessarily exclusive of one another.

Section 8.3 No Distributions Pending Allowance. Notwithstanding any other provision herein, with the exception of Claims in Class 3, Class 4 and Class 5, if any portion of a Claim or Administrative Expense is Disputed, no payment, distribution or grant of Participation Right provided hereunder shall be made on account of any portion of that Claim or Administrative Expense

unless and until (and only to the extent) such Claim or Administrative Expense becomes Allowed; distributions shall be made as provided herein on account of each Claim in Class 3, Class 4 and Class 5 to the extent such Claim is Allowed from time to time, notwithstanding that some portion of such Claim remains Disputed. Except as it relates to MPCO, MPI and MSC, none of the Reorganized Debtors or Schedule III Debtors shall be required to maintain segregated reserve accounts for Disputed Claims.

Section 8.4 Distributions After Allowance. If, on or after the Effective Date, any Disputed Claim or Administrative Expense becomes an Allowed Claim or Administrative Expense, the Reorganized Debtors or the Millennium Trust Trustee, as applicable, shall, as soon as practicable following the date on which the Disputed Claim or Administrative Expense becomes an Allowed Claim or Administrative Expense, except as otherwise provided herein, distribute to the holder of such Allowed Claim or Administrative Expense an amount, without any interest thereon, that provides such holder with the same percentage recovery or Participation Rights, as of the Effective Date, as holders of Claims or Administrative Expenses in the Class that were Allowed on the Effective Date.

Section 8.5 No Distribution in Respect of Disallowed Claims. To the extent that a Disputed Claim or Administrative Expense is expunged or reduced, the holder of such Claim or Administrative Expense shall not receive any distribution or Participation Rights on account of the portion of such Claim or Administrative Expense that is disallowed.

Section 8.6 Late-Filed Claims. Any Disputed Claim or Administrative Expense for which a proof of claim has not been deemed timely filed as of the Effective Date shall be disallowed without further order of the Bankruptcy Court.

ARTICLE IX

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

Section 9.1 Treatment. All executory contracts and unexpired leases that exist between the Debtors and any Person shall be deemed rejected, as of the Effective Date, by the Debtor that is the counterparty thereto, except for (i) any executory contract or unexpired lease that previously expired or terminated pursuant to its own terms, (ii) any executory contract or unexpired lease that was previously assumed or rejected by the Debtors pursuant to an order of the Bankruptcy Court, (iii) any executory contract or unexpired lease that is the subject of a motion by the Debtors to assume or reject that is pending as of the Effective Date, (iv) any executory contract or unexpired lease that is specifically designated on the Assumption Schedule as a contract or lease to be assumed and assigned, as the case may be,⁴ (v) any provision granting an easement or right of way, to the extent executory, (vi) any contract, including Insurance Policies and Benefit Plans, that is assumed pursuant to the Plan, or (vii) any provision that is a confidentiality or indemnification provision, to the extent required to continue to be enforceable. The Confirmation Order shall constitute an order of the Bankruptcy Court,

⁴ The Debtors reserve the right, in consultation with the Ad Hoc Group and Rights Offering Sponsors, on or prior to the Confirmation Date, to amend such schedule to add any executory contract or unexpired lease thereto or delete any executory contract or unexpired lease therefrom, in which event such executory contract(s) or unexpired lease(s) shall be deemed to be assumed or rejected, respectively. The Debtors shall provide notice of any amendment to the Assumption Schedule to the non-Debtor parties to the executory contracts and unexpired leases affected thereby.

The listing of a document or Instrument on the Assumption Schedule (or elsewhere in the Plan Supplement or the Plan) shall not constitute an admission by the Debtors that such document or Instrument is an executory contract or unexpired lease, or that the Debtors have any liability thereunder.

approving (i) the assumption and assignment, or rejection, as the case may be, of contracts and leases, as described above, pursuant to sections 365(a) and 1123(b)(2) of the Bankruptcy Code, (ii) that the Reorganized Debtors had properly provided for the cure of any defaults that might have existed, (iii) that each assumption and assignment was in the best interest of the Reorganized Debtors, their estates, and all parties in interest in the Chapter 11 Cases, and (iv) the requirements for assumption and assignment of any executory contract or unexpired lease to be assumed had been satisfied. Each executory contract or unexpired lease that is assumed by any Debtor under the Plan and pursuant to the Confirmation Order or pursuant to any other Final Order entered by the Bankruptcy Court shall be assigned, without further notice or order of the Bankruptcy Court, to either the corresponding Reorganized Debtor or such Affiliate thereof or another Reorganized Debtor, on the later of (i) the Effective Date or (ii) the date of assumption.

Section 9.2 Inclusiveness. Unless otherwise specified in the Plan Supplement, each executory contract and unexpired lease listed on the Assumption Schedule therein shall include (without regard to whether any of the following agreements, Instruments or other documents are listed in the Plan Supplement), (i) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, Instrument, or other document that in any manner affects such executory contract or unexpired lease, and (ii) with respect to any executory contract or unexpired lease that relates to the use, ability to acquire, or occupancy of real property, all executory contracts or unexpired leases appurtenant to the premises, including all easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, usufructs, reciprocal easement agreements, vaults, tunnel or bridge agreements or franchises, and any other interests in real estate or rights in rem related to such premises, unless any of the foregoing agreements has been rejected pursuant to an order of the Bankruptcy Court.

Section 9.3 Cure of Defaults. Any monetary amount by which any executory contract or unexpired lease being assumed under the Plan is in default shall be satisfied, under section 365(b)(1) of the Bankruptcy Code, by the Debtors or Reorganized Debtors, by the payment of a Cure Amount. With the exception of such payment of Cure Amounts, if any, the Debtors are not required to make any payment or take any other action in order to satisfy the requirements of section 365(b) of the Bankruptcy Code with regard to the executory contracts and unexpired leases being assumed under the Plan.

(e) **Cure Amounts.** The Assumption Schedule lists, for each executory contract or unexpired lease being assumed under the Plan, the Debtors' proposed Cure Amount; *provided, however,* that the Debtors reserve the right, in consultation with the Ad Hoc Group and Rights Offering Sponsors, on or prior to the date of the Confirmation Hearing, to amend such schedule to add any executory contract or unexpired lease (and the attendant proposed Cure Amount) thereto or delete any executory contract or unexpired lease (and its attendant proposed Cure Amount) therefrom, or to amend the Cure Amount listed for any executory contract or unexpired lease. The Debtors shall provide notice of any amendment to the Assumption Schedule to the non-Debtor parties to the executory contracts and unexpired leases affected thereby.

(f) **Assumption Disputes.** If a non-Debtor party to an executory contract or unexpired lease being assumed under the Plan timely objects to (i) the assumption, (ii) the proposed Cure Amount or the nature of the cure, (iii) the ability of the Debtors, Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the executory contract or unexpired lease being assumed, or (iv) any other matter pertaining to assumption, the Debtors and the objecting party may settle, compromise, or otherwise resolve such issues without further order of the Court, or submit the dispute to the Court for determination. Cure and assumption (or assumption and assignment) shall occur following either resolution of the dispute by the parties or the entry of a Final Order by the Court, as the case may be.

(g) Timing of Cure. The Debtors or Reorganized Debtors shall pay all Cure Amounts, if any, to the non-Debtor parties to the executory contracts and unexpired leases being assumed under the Plan within ten (10) Business Days after resolution of the Cure Amount by Final Order or agreement of the parties, except as otherwise agreed to by the parties; *provided, however,* that as to Insurance Policies and related agreements, the Reorganized Debtors shall remain liable for any premium arising thereunder that becomes liquidated, or is due and owing, after the time of assumption (regardless of when the underlying cause or action and/or claim arose).

(h) Reservation of Right to Reject. Notwithstanding the above, the Debtors or Reorganized Debtors may, in their sole and absolute discretion, except for Insurance Policies as discussed herein, determine to reject any executory contract or unexpired lease at any time prior to the later of (i) thirty (30) days after the Effective Date and (ii) thirty (30) days after the entry of a Final Order determining the proper Cure Amount for that executory contract or unexpired lease. The effective date of a rejection effected pursuant to the preceding sentence shall be the Effective Date regardless of the date on which the Debtors give notice of such rejection.

Section 9.4 Rejection Damages Claims. Claims arising out of the rejection of executory contracts and unexpired leases pursuant to the Plan must be filed with the Claims Agent and served upon the Debtors or Reorganized Debtors and their counsel no later than thirty (30) days after the later of the date that notice is mailed regarding (i) entry of an order approving the rejection of such executory contract or unexpired lease if not rejected by entry of the Confirmation Order, (ii) entry of the Confirmation Order, (iii) amendment of the Assumption Schedule that results in the rejection of such executory contract or unexpired lease, and (iv) rejection of such executory contract or unexpired lease pursuant to Section 9.3(h) of the Plan. Any such Claim not filed within such time shall be forever barred from assertion against the Debtors and their estates or the Reorganized Debtors or their property.

Section 9.5 Insurance Policies.

(e) Notwithstanding anything in the Plan, the Plan Supplement or the Confirmation Order to the contrary (including, without limitation, any other provision that purports to be preemptory or supervening or grants a release), all Insurance Policies and related agreements pursuant to which any of the Debtors are insured(s) shall be deemed and treated as executory contracts pursuant to the Plan and are hereby automatically assumed on the Effective Date by the respective Debtors and Reorganized Debtors and shall continue in full force and effect. All Insurance Policies shall vest in the Reorganized Debtors.

(f) The Debtors and the Reorganized Debtors shall continue to honor their obligations under (1) applicable worker's compensation laws in states in which the Reorganized Debtors operate; and (2) the Debtors' written contracts, agreements, agreements of indemnity, self-insurer workers' compensation bonds, all Insurance Policies and related agreements, insurance programs and plans for workers' compensation and insurance. All proofs of Claim filed by workers' compensation claimants shall be deemed satisfied and automatically expunged without any further notice to or action, order or approval of the Bankruptcy Court; *provided, however,* that nothing in the Plan shall limit, diminish, or otherwise waive the Debtors' or Reorganized Debtors' defenses, claims, causes of action or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs and plans.

Section 9.6 Compensation and Benefit Programs. Except with respect to any Benefit Plan that has been terminated or rejected as of the Effective Date, all Benefit Plans and collective bargaining agreements shall remain in full force and effect as of the Effective Date. The Plan neither terminates nor impairs the Pension Plans, and for greater certainty, the U.S. Pension Plans and the U.K. Pension Plan shall ride through the Chapter 11 Cases. Certain of the Debtors are contributing

sponsors of the U.S. Pension Plans. Upon confirmation of the Plan, the applicable Reorganized Debtors shall assume and continue the U.S. Pension Plans in accordance with their terms and the provisions of ERISA and the Internal Revenue Code of 1986, as amended and satisfy the minimum funding standards pursuant to 26 U.S.C. §§ 412 and 430 and 29 U.S.C. § 1082. In addition, one of the Debtors, Lyondell Chemical Europe, Inc. is a contributing sponsor of the U.K. Pension Plan. Upon confirmation of the Plan, Lyondell Chemical Europe, Inc. shall assume and continue the U.K. Pension Plan in accordance with the terms and provisions of the U.K. Pension Plan's governing documentation and under and in accordance with applicable legislative and regulatory requirements under the law of England and Wales, including (but not limited to) the Pensions Act 1995, the Pensions Act 2004 and the Finance Act 2004, and all other relevant legislation, regulation, codes of practice and guidance. In addition, certain of the Debtors are sponsors of the U.K. Pension Plan. Upon confirmation of the Plan, the applicable Reorganized Debtors shall assume and continue the U.K. Pension Plan in accordance with its terms. Furthermore, nothing in the Plan shall be construed as discharging, releasing or relieving the Debtors or their successors, including the Reorganized Debtors, from any liability imposed under any law or regulatory provision with respect to the U.S. Pension Plans, the U.K. Pension Plan or PBGC. The PBGC, the U.S. Pension Plans and the U.K. Pension Plan shall not be enjoined or precluded from enforcing such liability as a result of any provision of the Plan or the Confirmation Order. Without limiting the foregoing, no provision of the Plan or the Confirmation Order shall limit, alter or impact in any way the ability and standing of the U.K. Pension Plan to seek compensation from, or entry to, the Pension Protection Fund ("PPF") under the applicable law or regulation of England and Wales. Notwithstanding the foregoing, the PBGC Claim and any Claim arising out of the U.K. Pension Plan shall be deemed withdrawn on the Effective Date.

Section 9.7 Retiree Benefits. Except with respect to any retiree benefit that has been terminated or rejected as of the Effective Date, on and after the Effective Date, pursuant to section 1129(a)(13) of the Bankruptcy Code, the Reorganized Debtors shall continue to pay all retiree benefits of the Debtors (within the meaning of section 1114 of the Bankruptcy Code), if any, at the level established in accordance with section 1114 of the Bankruptcy Code at any time prior to the Confirmation Date, for the duration of the period for which the Debtors are obligated to provide such benefits.

(b) *As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, (i) each holder of a Claim (including any Senior Secured Claim, Bridge Loan Claim and 2015 Notes Claim) that votes in favor of the Plan (or is deemed to accept the Plan), and (ii) to the fullest extent permissible under applicable law, as such law may be extended or interpreted after the Effective Date, each holder of a Claim that does not vote to accept the Plan, shall be deemed to unconditionally and forever release, waive, and discharge (A) each present or former officer, director, employee, agent, financial advisor, attorney and representative (and their respective affiliates) of the Debtors who acted in such capacity on and after the Commencement Date, (B) the members (but not in their individual capacities) of the Creditors' Committee, (C) the members of the Ad Hoc Group, (D) the Rights Offering Sponsors, (E) the Senior Secured Lenders, (F) the DIP Lenders, (G) the DIP Agents; (H) the Bridge Lenders, (I) the Arrangers (but in each case only in their capacity as members of the Ad Hoc Group, the Rights Offering Sponsors, Senior Secured Lenders, DIP Lenders, DIP Agent, Bridge Lenders and Arrangers, as applicable) and each of their respective members, officers, directors, agents, financial advisors, attorneys, employees, equity holders, parent corporations, subsidiaries, partners, affiliates and representatives (in each case, in their capacity as such), from any and all Causes of Action whatsoever in connection with, or related to, the Debtors, the Chapter 11 Cases, or the Plan (other than the rights of the Debtors and the Reorganized Debtors to enforce the Plan and the contracts, Instruments, releases, indentures and other agreements or documents delivered thereunder), whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise, that are based in whole or part on any act, omission, transaction, event, or other occurrence taking place on or prior to the Effective Date in any way relating to the Debtors, the Reorganized Debtors, the Chapter 11 Cases, or the Plan; provided, however, that the foregoing shall not operate as a waiver or release from any causes of action arising out of the actual or intentional fraud, gross negligence, willful misconduct or criminal conduct of any such Person; provided, further, that this Section 11.8 shall not release any claims asserted in the Committee Litigation and not otherwise settled by the Lender Litigation Settlement (including, without limitation, claims asserted in the Committee Litigation against Access Group, or any of its or their principals, officers, members, directors, employees, agents, attorneys, financial advisors and other professionals who are named as defendants in such Committee Litigation), except with respect to any claims asserted*

against officers or employees of the Debtors and Non-Debtor Affiliates serving in such capacities on December 15, 2009, which are hereby released; provided, further, that this section 11.8 shall not release any claims that have been or could be asserted by any non-settling defendant in the Committee Litigation against any entity.

As of the Effective Date, for good and valuable consideration, the adequacy of which is hereby confirmed, (i) each holder of a Claim (including any Senior Secured Claim, Bridge Loan Claim and 2015 Notes Claim) that votes in favor of the Plan (or is deemed to accept the Plan), and (ii) to the fullest extent permissible under applicable law, as such law may be extended or interpreted after the Effective Date, each holder of a Claim that does not vote to accept the Plan, shall be deemed to unconditionally and forever release, waive, and discharge the Non-Debtor Affiliates, and each of their respective members, officers, directors, agents, financial advisors, attorneys, employees, equity holders, parent corporations, subsidiaries, partners, affiliates and representatives, from any and all claims, obligations, suits, judgments, damages, demands, debts, rights, causes of action and liabilities whatsoever arising from or relating to such Non-Debtor Affiliate's guarantee of Claims against the Debtors that are discharged pursuant to the Plan, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, then existing or thereafter arising, in law, equity or otherwise.

Notwithstanding anything to the contrary contained in the Plan, the Disclosure Statement or the Confirmation Order, no released party shall be discharged, exculpated or released on any claim, now existing or hereafter arising that the PBGC may have under ERISA with respect to any U.S. Pension Plan, and there shall be no injunction against the assertion of any such claim.

As of the Effective Date, in consideration for contribution of the Wind-Up Funds and the Clean Up Funds, and payment of the Schedule III Allocations, the Schedule III Debtors, on their own behalf, and on behalf of their estates, forever release, acquit and discharge the Reorganized Released Parties from any and all actions, causes of action, liabilities, obligations, rights, suits, accounts, covenants, contracts, agreements, promises, damages, judgments, claims, debts, remedies and demands whatsoever, whether liquidated or unliquidated, fixed or contingent, matured or unmatured, known or unknown, foreseen or unforeseen, existing as of the Effective Date or thereafter arising, in contract or in law, at equity or otherwise, based in whole or in part upon any act or omission or other event occurring prior to the commencement of these Chapter 11 Cases or during the course of the Chapter 11 Cases (including through the Effective Date), in any way relating to the Schedule III Debtors, these Chapter 11 Cases, or the ownership, management, and operation of the Schedule III Debtors, including Intercompany Claims, that the Schedule III Debtors could assert directly or any holder of a Claim or Equity Interest or other entity could assert derivatively or on behalf of the Schedule III Debtors or their estates. The releases described herein shall be enforceable as a matter of contract and are in addition to, and not in lieu of, any other release or discharge provided by applicable law, including section 1141 of the Bankruptcy Code, or separately given, conditionally or unconditionally, by the Schedule III Debtors, the Millennium Trust Trustee, the Environmental Trust Trustee, the Delaware Trustee or any other entity. This release shall be binding on the Millennium Custodial Trust, the Environmental Custodial Trust, the Millennium Trust Trustee, the Environmental Trust Trustee and any manager or board of directors of the Schedule III Debtors. The Schedule III Debtors and their estates shall be permanently enjoined, from and after the Effective Date, from asserting any and all Claims and causes of action that may lie against the Reorganized Released Parties with respect to the releases granted to it pursuant to this Plan.

In exchange for the aggregate contributions to the Millennium Custodial Trust and the Environmental Custodial Trust of the Clean Up Funds, the Wind-Up Funds, payment of the Schedule III Allocations and waiver of Intercompany Claims by the Reorganizing Debtors against the Schedule III Debtors, pursuant to the Plan, each of the Schedule III Debtors shall forever release each of the

Reorganized Released Parties of any and all Claims that could be brought by, through, or on behalf of the Schedule III Debtors or anyone claiming under them, including Claims based on the theory of alter ego or piercing the corporate veil. The Schedule III Debtors shall also forever release, acquit and discharge the Reorganized Released Parties from any and all Intercompany Claims. In addition, the releases include any Claims by the EPA or any other regulatory agency regarding environmental liabilities associated with the Reorganized Debtors and the Transferred Real Properties.

Section 11.9 Retention of Causes of Action/Reservation of Rights.

(a) Except as expressly provided in the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights or causes of action that the Debtors or the Reorganized Debtors may have or choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including, without limitation, (i) any and all Claims against any Person, to the extent such Person asserts a crossclaim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, their officers, directors, or representatives, (ii) any and all claims under chapter 5 of the Bankruptcy Code, and (iii) the turnover of any property of the Debtors' estates.

(b) Except as expressly provided in the Plan, nothing contained in the Plan or the Confirmation Order shall be deemed to be a waiver or relinquishment of any claim, cause of action, right of setoff, or other legal or equitable defense which the Debtors had immediately prior to the Commencement Date or which arose during the Chapter 11 Cases, against or with respect to any Claim left unimpaired by the Plan. The Debtors and the Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, causes of action, rights of setoff, and other legal or equitable defenses which they had immediately prior to the Commencement Date fully as if the Chapter 11 Cases had not been commenced, except for those claims, causes of action, rights of setoff or other legal or equitable defense, if any, that the Debtors have effectively waived after the Commencement Date, and all of the Debtors' and Reorganized Debtors' legal and equitable rights respecting any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

(c) Each of the Reorganized Debtors shall, after the Effective Date, retain the rights to bring any causes of action that could have been brought by the respective Debtor at any time.

Section 11.10 Section 506(c) Reservation. The Debtors and the Reorganized Debtors reserve all rights under section 506(c) of the Bankruptcy Code with respect to any and all Secured Claims, except to the extent waived pursuant to the DIP Financing Order.

Section 11.11 Chapter 5 Reservation. Without limiting Section 11.8(b) above, the Debtors and Reorganized Debtors reserve all rights under chapter 5 of the Bankruptcy Code, including the right to retain or settle any claims arising under chapter 5, except to the extent waived pursuant to the DIP Financing Order or settled in the Lender Litigation Settlement.

If the Debtors revoke or withdraw the Plan, or if the Confirmation Date does not occur, then the Plan shall be deemed null and void with respect to the applicable Debtor(s). In such event, nothing contained herein shall be deemed to constitute a waiver or release of any Claim by or against the applicable Debtor(s) or any other Person or to prejudice in any manner the rights of the applicable Debtor(s) or any other Person in any further proceedings involving the applicable Debtor(s).

Section 13.6 Dissolution of the Creditors' Committee.

<u>Covenant Suspension:</u>	Upon attainment of and for so long as the Issuer maintains a corporate investment grade credit rating from both Standard & Poor's and Moody's.
